It's time to sweeten up your High Holiday meals by ordering delicious treats to complete your holiday dinners. What better way to break the fast on Yom Kippur than serving the Adath kitchen's "secret recipe" dairy noodle kugel? The kugels arrive fully baked and frozen and ready to pop in your oven! Not having your family for breaking the fast? Don't worry! Buy a kugel or two for your freezer. Each kugel is prepared in a deep dish 9" X 13" pan and serves up to 20 people. These yummy noodle treats taste great any time you're having company or friends for dinner...or just your family!

After the huge success last year, Adath is again selling sweet, tasty, pareve, melt-in-your-mouth honey cakes. The cakes are fully baked and ready-to-eat and are prepared in 4.5" X 8.5" loaf pans. Each cake serves approximately 15 people. These cakes will taste delicious on your holiday sweet platters or make the ideal hostess gift (they will ensure another invitation next year!).
