Celebrating a Simcha*

Yad Sima Tova: Adath's Caring Community
*Reaches out to members
of the Adath community and their families*

Yad Sima Tova offers meals to individuals and their families in need of assistance while ill or after returning home from the hospital or nursing home.

Kosher meals are purchased and then delivered by Yad Sima Tova volunteers. Dinners usually include chicken, a side dish, salad and dessert. On Shabbat challah and grape juice are included.

Your family can make your simcha even more meaningful by sharing your joy with others. By adding a donation to the catering costs of your simcha, you can help us provide this service to congregants in need.

To support Yad Sima Tova's work, please return the form below to the Adath Catering Director with the catering contract for your simcha. Your donation will be invoiced with your catering bill.

Thank you for your support!
