Due to rising costs and regulations, we will be not sending out our mailings via snail mail this year, and will instead be relying more on the internet. You can always find out what is going on in the youth department by checking out our website, or facebook page. Because of this we ask that you keep the Youth office up to date with your email and contact information. Please email Elisabeth, the youth director, if your information changes at any point during the year.

Rosh Hodesh

Rosh Hodesh: it's a girl thing! was started in 2005 at Adath, and has grown over the years into a successful program for girls in grades 7-12. The groups meet by grade once a month, and are lead by trained Jewish professionals in our congregation. Each group is open at the beginning of the year for new girls to join. Topics range from month to month, and there is typically an art project to accompany it. Registration forms are available! Please contact Elisabeth in the Youth Department for more information.
