

Mint tin Menorah

Supplies:

Mint tin

11 hex nuts (size 1/4 inch-20)

Super glue

Birthday candles

With super glue, attach eight hex nuts in a straight row to the bottom of the tin. There is just enough room for eight nuts lined up side by side.

Stack three nuts together and attach them with super glue, and place that either in front of or in back of the row of eight nuts. This stack will elevate the shamash candle.

Enjoy lighting each night of Hanukkah!
